

Voices of Conscience Petition of Support

Brother and Sister Episcopalians,

The “Prophetic Challenge to the Executive Council” [<http://epfnational.org/PIN/a-prophetic-challenge-to-the-executive-council/>] was written and signed by a group of prominent Episcopalians who are frustrated by the Church’s lack of action in implementing the General Convention’s resolutions concerning Palestine/Israel. The Palestine Israel Network of the Episcopal Peace Fellowship could not agree more nor express it better. Fifteen Christian leaders representing other U.S. churches and religious organizations committed to seeking a just peace for Israelis and Palestinians have endorsed a letter to our government asking it to hold Israel accountable for its use of foreign aid from our government. These laws prohibit assistance to any country engaging in a consistent pattern of human rights violations. The Episcopal Church has declined to join these Christian leaders while Israel's human rights violations continue to mount.

We invite you to support the “Prophetic Challenge” by adding your name (Episcopalians only, please) to this statement of support which will be delivered to Executive Council for their 25-27 February 2013 meeting in Linthicum Heights, Maryland.

Hermanos y Hermanas Episcopales:

El “Reto Profético al Consejo Ejecutivo [en inglés en <http://epfnational.org/PIN/a-prophetic-challenge-to-the-executive-council/>] fue escrito y firmado por un grupo de episcopales destacados que están frustrados por la falta de acción de la Iglesia en implementar las resoluciones de la Convención General sobre Palestina e Israel. La Red de Palestina e Israel de la Hermandad Episcopal por la Paz no podría estar más de acuerdo ni expresarlo mejor. Quince líderes cristianos, que representan otras iglesias y organizaciones religiosas comprometidas a buscar una paz justa entre israelíes y palestinos, han aprobado una carta al gobierno de Estados Unidos, pidiéndolo que haga que Israel rinda cuentas por usar ayuda extranjera del gobierno de Estados Unidos. Estas leyes prohíben la ayuda a cualquier país con una historia consistente de violar los derechos humanos. La Iglesia Episcopal se ha negado a unirse a estos líderes cristianos, mientras las violaciones de derechos humanos siguen aumentándose.

Les invitamos (solamente episcopales, por favor) a apoyar el “Reto Profético” al añadir su nombre esta declaración de apoyo, la cual será entregada a la reunión del Consejo Ejecutivo del 25 al 27 de febrero de 2013 en Linthicum Heights, Maryland.
