PIN Bulletin For Local Organizers Volume 55, February 2024

Will you strive for justice and peace among all people, and respect the dignity of every human being?

Who are your deputies to General Convention?

It's time to reach out, share information and find allies.

Looking for ways to communicate PIN's message and goals?

In many dioceses, deputies meet for team-building sessions. Ask for time to share materials and speak at a session.

Consider a "Message to Deputies," with links, in your online diocesan newsletter.

Ask a deputy or two to meet for coffee. Send an information packet

electronically before hand. Direct them to PIN's website. Consider printing several of PIN's postcard images to share (see below).

Follow this link for specific website resources to share with deputies:

- ** Summary of Episcopal Church Policy on Palestine-Israel
- ** PIN's short position papers on such topics as freedom to boycott, disappearing church in the Holy Land, Christian Zionism defined, Israel's blockade of Gaza (very pertinent at this moment of crisis).
- ** A BDS primer, including its origins & history, with a link to PIN's endorsement of the nonviolent movement for change in Israel.
- ** Longer essays on "Where PIN Stands," such as this timely article, an eyewitness PIN account of the effects of the Israeli blockade on Gaza hospitals, such as Al-Ahli and Nasser, in 2020 -- hospitals now bombed & devastated by IDF ground assault.

On Responsible Travel to the Holy Land

A Call for Ending Apartheid Against Palestinians: New Version
To complement the three resolutions referred from GC80. References the
reports of HRW, Amnesty International, and B'Tselem, calls on GC to join other
churches in naming apartheid, and calls on OGR to make ending apartheid a
priority policy.

Rejecting the Theology and Politics of Christian Zionism

Defines Christian Zionism, references its role in furthering Israel's anti-Palestinian policies, affirms Resolution 2022-A216 against extremist groups, and calls on OGR to oppose tax exemptions for Christian Zionist organizations.

Solidarity with the Palestinian Boycott, Divest, and Sanctions Movement The BDS campaign is legitimate, non-violent, consistent with TEC policy, and conforms with the 2009 Kairos Palestine statement
