Support EPF YOUNG ADULT DELEGATION: For the fifth consecutive General Convention, EPF will send young adults between the ages of 18 – 30 to advocate for peace with justice by creating legislation, testifying in committees and building sponsorship for resolutions. Delegates will experience first-hand how The Episcopal Church functions as the largest democratically elected governing body in the world.

Visit the EXHIBIT HALL: EPF will once again cluster with our Consultation partners in a block of exhibit space. EPF and the Palestine Israel Network will occupy adjacent sites, offering visitors an array of educational materials, curricula, t-shirts, and other items.

The **Speakers' Corner**, site of lunch-time speeches by important voices raised on behalf of peace with justice, will be coordinated by EPF on behalf of the entire Consultation. See the platform [HERE http://www.theconsultation.org/our-platform-2018.html](http://www.theconsultation.org/our-platform-2018.html)
